**FINDING**There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:**Counts 1, 2: 18:1344(2) BANK FRAUD AND ATTEMPTED BANK FRAUD**

**JUDGMENT AND PROB/ COMM ORDER** The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of:

**One day imprisonment on Counts 1 and 2 of the Indictment.** This term consists of one day imprisonment on each of Counts 1 and 2 of the Indictment to be served concurrently.

It is ordered that the defendant shall pay to the United States a special assessment of \$200, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

It is ordered that the defendant shall pay restitution in the total amount of \$ 1,700 pursuant to 18 U.S.C. § 3663A.

The amount of restitution ordered shall be paid as follows:

<u>Victim</u>	<u>Amount</u>
USAA	\$500
Union Bank	\$1,200

Restitution shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program. If any amount of the restitution remains unpaid after release from custody, nominal monthly payments of at least 10% of defendant's gross monthly income but not less than \$50.00, whichever is greater, shall be made during the period of supervised release and shall begin 30 days after the commencement of supervision. Nominal restitution payments are ordered as the Court finds that the defendant's economic circumstances do not allow for either immediate or future payment of the amount ordered.

If the defendant makes a partial payment, each payee shall receive approximately proportional payment.

Pursuant to 18 U.S.C. § 3612(f)(3)(A), interest on the restitution ordered is waived because the defendant does not have the ability to pay interest. Payments may be subject to penalties for default and delinquency pursuant to 18 U.S.C. § 3612(g).

The defendant shall comply with Second Amended General Order No. 20-04.

Pursuant to Guideline § 5E1.2(a), all fines are waived as the Court finds that the defendant has established an inability to pay any fine.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of two years. This term consists of two years on each of Counts 1 and 2 of the Indictment, all such terms to run concurrently under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation & Pretrial Services Office and Second Amended General Order 20-04, including the conditions of probation and supervised release set forth in Section III of that General Order 20-04.
2. During the period of community supervision, the defendant shall pay the special assessment and restitution in accordance with this judgment's orders pertaining to such payment.
3. The defendant shall cooperate in the collection of a DNA sample from herself.
4. The defendant shall apply all monies received from income tax refunds, lottery winnings, inheritance, judgments and any other financial gains to the Court-ordered financial obligation.
5. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the program by the treatment provider, with the approval of the Probation Officer.

6. As directed by the Probation Officer, the defendant shall pay all or part of the costs of the Court-ordered treatment to the aftercare contractors during the period of community supervision. The defendant shall provide payment and proof of payment as directed by the Probation Officer. If the defendant has no ability to pay, no payment shall be required.

The drug testing condition mandated by statute is suspended based on the Court's determination that the defendant poses a low risk of future substance abuse.

The Court authorizes the Probation Officer to disclose the Presentence Report, and any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence report), to State or local social service agencies (such as the State of California, Department of Social Service), for the purpose of the client's rehabilitation.

It is further ordered that the defendant **surrender herself** to the institution designated by the Bureau of Prisons **at or before 12 noon, on August 2, 2021**. In the absence of such designation, the defendant shall report on or before the same date and time, to the United States Marshal located at the Roybal Federal Building, 255 East Temple Street, Los Angeles, California 90012.

Pursuant to 18 U.S.C. § 3553(a), the Court shall impose a sentence sufficient, but not greater than necessary, to comply with the purposes set forth in paragraph (2) of this subsection. The Court, in determining the particular sentence to be imposed, shall consider --

1. The nature and circumstances of the offense and the history and characteristics of the defendant;
2. The need for the sentence imposed --
  - a. To reflect the seriousness of the offense; to promote respect for the law, and to provide just punishment for the offense;
  - b. To afford adequate deterrence to future criminal conduct;
  - c. To protect the public from further crimes of the defendant; and
  - d. To provide the defendant with needed correctional treatment in the most effective manner.
3. The kinds of sentences available;
4. The guideline sentencing range;
5. The need to avoid unwarranted sentence disparities among defendants with similar records who have been found guilty of similar conduct; and
6. The need to provide restitution to any victims of the offense

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
